

## Pupil Premium Funding Report - Spending April 2016 to March 2017

### At Corbets Tey School, in 2016-17 we used Pupil Premium Funding to ensure that:

All pupils receiving pupil premium funding make the maximum progress in relation to their prior progress and taking into account their learning needs

Financially disadvantaged pupils' rate of progress in all subjects is not lower than expected or less than other groups of pupils with similar needs

That all pupils receiving pupil premium receive individual, specific learning interventions related to their learning needs to maximise progress

That the school provides a differentiated, engaging and innovative curriculum offer to cater for the learning needs of all disadvantaged pupils

Budget	Interventions	Intended outcomes	Costs	Impact
Teaching and Support Staff	Precision Teaching, Tac Pac	To increase confidence of pupils and raise attainment in phonics and reading	£23,885	Increased numbers of skilled teaching assistants in delivering precision teaching and Tac Pac intervention sessions and to measure learning progress of pupils. Improved confidence of disadvantaged pupils in developing early reading, maths and other skills.
	Additional Teaching and Learning Support in Classes	To increase differentiation of curriculum delivery and targeted learning support to disadvantaged pupils.		Disadvantaged pupils progress is identified and any areas of concern are targeted with a Learning Intervention Plan to increase progress. Disadvantaged pupils skill acquisition levels (evidenced in Pupil Achievement Profiles) is fully supported.
	Horticulture Therapy	To provide opportunities to engage & explore with the outside world, improve gross/fine motor skills, attention & listening, functional literacy & numeracy, functional communication-express needs /make choices, improve independence/self-help skills	£8,000	A dedicated horticulture teacher works individually with pupils. Pupils develop new skills that impacts on their wider learning progress.
