## Policy for the Education and Welfare of Children who are Looked After (CLA)

### Equality Impact Assessment

The school aims to design and implement services, policies and procedures that meet the diverse needs of our provision, population and workforce, ensuring that none are placed at an unreasonable or unfair disadvantage over others. We are confident that this policy does not place anyone at an unreasonable or unfair disadvantage, and is compliant with relevant equalities legislation.

At Corbets Tey School, we believe that all Children who are Looked After should have equitable access to excellent educational provision and achieve at a similar level to all other Havering children. We, as a community, aim to be champions for Children who are Looked After and take a proactive approach to support their success, recognising that we have a vital role to play in promoting children and young people's social and emotional development.

### Who are our Children who are Looked After?

The child or young person will either have been taken into care by the Local Authority (LA), or have been "Accommodated" by the Local Authority (a voluntary care arrangement). Most Children who are Looked After will be living in foster homes but a smaller number may be in a children's home, living with a relative or even be placed back at home with their parent(s) sharing parental responsibility with the Local Authority.

### In supporting Children who are Looked After we will:

1. Create a whole school ethos in which *all staff* understand their role and accept their responsibility as a Corporate Parent;
2. Provide a *safe and secure environment*, which values learning and believes in the abilities and potential of all children;
3. Strive to bring the educational attainment of Children who are Looked After in line with those of their peers;
4. Make sure that the child or young person has access to education appropriate to their age and ability which includes a broad and balanced curriculum;

5. Identify our schools' role to promote and support the education and learning of our Children who are Looked After always asking 'Would this be good enough for my child?'.
6. Have a *Designated Teacher* (DT) for Children who are Looked After *who will act as their advocate* and coordinate support for them, liaise with carers, parents (as appropriate), social workers and school staff on a wide variety of educational, emotional and care issues;
7. Promote and support "Every Child Matters" outcomes:

Be Healthy	help learners adopt healthier lifestyles, build self-esteem, eat/drink well
Stay Safe	safe from bullying, harassment and other dangers
Enjoy & Achieve	enable learners to make good progress in their work and personal development & enjoy learning
Make a Positive Contribution	understanding rights and responsibilities, are listened to and participate in the life of the community
Achieve Economic Well Being	gaining the skills and knowledge needed for future employment.

All staff and governors are committed to ensuring improved educational life chances for Children who are Looked After by ensuring that the relevant personnel have reasonable support and time to complete tasks and responsibilities. Also, to establishing and maintaining appropriate reporting and monitoring procedures both within the school and with other agencies.
