Sycamore Pizza Express

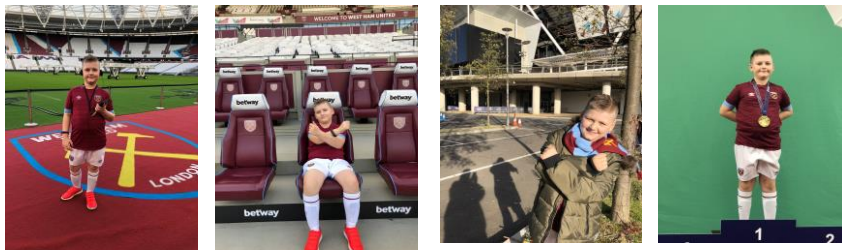

This week Sycamore Class made pizzas at Pizza Express in Billericay. This term the class have been exploring food from around the world. Pupils enjoyed not only making the pizzas but eating them too! They also learnt where the ingredients come from and how Pizza Express came to this country.

It was a great trip and enjoyed by the whole class!!

West Ham Visit

On Wednesday 14th November one of our pupils from Hazel Class visited West Ham Stadium and met some of the players. Thank you to Veggie Run on behalf of Havering Catering Service for organising this.

International Day of the Disabled Person: Havering - Removing the Barriers

In acknowledgement of International Day of the Disabled Person Havering Council in conjunction with Salvation Army Romford **Monday 3rd December 2018, 9.30am to 4.30pm, Salvation Army Romford** Disabled women, men, and young people should experience the same sense of freedom, inclusion, opportunity and dignity as non-disabled people. This includes freedom to access available jobs, educational and training opportunities, care services, public transport, shopping, social venues, sporting and every other place where people expect access and inclusion.

The theme for this year's International Day of the Disabled Person is removing barriers, so within this theme the purpose of this important event is to listen to the experiences and aspirations of local disabled people and their carers, and to:

- Identify local barriers to freedom and inclusion in all aspects of life in Havering
- Explain what Council services are doing re disability and a) Children's and Educational Services b) Adult Services c) Housing d) the Environment and open spaces and e) Public Health (TBC)
- Record what we hear and accept responsibility within our respective services to address the issues raised within existing resources where possible, with a view to reporting back to participants at a future event
- Speakers on the day will include senior managers from the Havering Council, Havering Association of Disabled People, MIND, Autistic Society, Transport for London, London Fire Brigade, and others concerned with disability employment, training and more.

Interpreters and BSL signers will be present.

This is a free event taking place at Salvation Army, Romford. Free lunch and refreshments provided. Please register on Eventbrite. Please note that there are 2 disabled toilets in the Salvation Army, Romford venue. Parking: drop-off and pick up outside the venue. Limited parking in the area.

A full agenda will be posted at <https://allevents.in/romford/international-day-of-the-disabled-person-havering-removing-the-barriers/1000049594162475> by November 2018.
