Message from the Headteacher

Dear all,

As we go into the last three days of this term, I would like to thank you all for your support and partnership working over the last term.

Our children (and staff!) have been taking part in lots of fun, Christmas activities and the school is feeling very festive. This year we asked classes to organise events with parents and carers that would be most enjoyable to children in their classes. A special thanks to Jackie Mudford, who with her ambitious team, transformed our solar domes into a magical winter wonderland. The children have been loving the interactive experience.

We hope you all have a lovely Christmas and look forward to seeing everyone in the new year.

Emma and all at Corbets Tey

Christmas Tree Festival

As a school this December we supported the Annual Christmas Tree Festival at Upminster Methodist Church by decorating a range of Christmas tree decorations in the theme of- 'Twas The Night Before Cartoons'. Lots of our pupils made beautiful tree decorations for Maple class to take to the church and decorate our tree with. All of the pupils worked exceptionally hard and we are very proud of them.

Access to Food Banks

With Christmas coming, we know that life can become stressful and difficult for many families. As a school, we hold vouchers for Harold Hill and Rainham Foodbanks.

If this is something you would like to access, please give the Family Support Practitioners, Aaron or Crystal a call or speak to Sue Hillier. This information will be treated with the complete confidentiality.

Mango Class Trip

Mango Class had fun on their day out on Tuesday. They enjoyed a yummy McDonalds and went on a snowy walk to find Santa in his grotto! Every child took home a beautiful book about their visit to Santa.
