Lord Taverners Mini Bus Presentation

Yesterday we were very kindly presented with our new minibus with a tail lift which allows greater accessibility for all our pupils to go out on school trips.

Key donors of the new school minibus, The Lords Taverners' representatives and some of its charity committee members from Stanford Coachworks and Essex Auto Group attended a presentation of the green, Lords Taverners-branded, 16-seat wheelchair accessible Ford Transit.

The visitors were treated to a singing and signing performance led by the teachers where pupils sang and signed to songs from The Greatest Showman including This Is Me and A Million Dreams as well as S Club 7's Reach for The Stars.

Jo Hicks, Lords Taverners Regional Development Executive, said: "We are delighted to present this minibus to Corbets Tey School. It now means some of the older pupils will be able to go out on trips so much more." She explained that £11,000 was raised specifically for the school minibus by The Lords Taverners volunteers who took part in a charity walk, organised by Ian Thurgood, a Lords Taverner, from Maldon to Chelmsford. The sponsored walk took the ramblers to the Vitality Blast T20 Cricket match on the hottest day of the year, last July. She added: "It has been lovely getting our volunteers behind this fundraising project."

Emma Allen said: "This new minibus will give the students access to the community which will enhance the breadth of educational opportunities that the school, can provide, and prepare them for their next steps with independence into the adult world. Practicing life skills in the community and the greater opportunities enabled by an additional minibus are very important, and particularly so, for our older pupils and post-16 students.

We are, as always, so grateful for the generosity of all who support our school.
