

## Palm Class 2017 - 2018 - Key Stage 4 Academic Achievements

Palm class offers an inclusive teaching and learning environment, which promotes independence and aids confident transition into post-16 education. The staff team provide personalised provision for every child in order to cater for their learning styles and individual needs. All pupils work towards personal weekly targets by which progress is monitored and tracked. The pupils in Palm class access an Entry Level qualification from the OCR examinations board. Life and Living Skills is a comprehensive, flexible suite of versatile and adaptable qualifications, where pupils can achieve Entry Levels 1, 2 or 3—depending on their ability. It covers a wide range of areas including pre-employability, personal and social skills that are functional and prepare pupils to become as independent as they can. There is a range of qualification sizes including Initial Award, Award, Certificate and Diploma (i.e. 2 credits upwards)

- It's a QCF qualification suitable for programmes of study
- Assessment can happen as and when the learner is ready
- It's based on popular Accreditation for Life and Living (ALL) and National Skills Profile (NSP) schemes.

The courses allow us to celebrate small steps in learning and progress and recognise personal effort and achievement. The units that are chosen for the curriculum are based entirely on the needs of our pupils in Palm class. It prepares our pupils to develop important life skills, such as independence, decision-making, prepare them for life beyond the school gate.
