Telephone 01708 961111, email info@haveringcarershub.org.uk

The Big Battery Hunt

The main school and our college have signed up to take part in the Big Battery Hunt. The Big Battery Hunt is a nationwide battery recycling initiative funded by Duracell. Young people in schools across the UK are encouraged to think about the importance of recycling and then challenged to collect as many used batteries as they can. The aim is for each pupil to contribute to an overall total of 4 million batteries being recycled. Each student will be bringing home a collection box and when full this can be returned to the college. There will be collection box in our reception. There is also a competition running as part of this campaign so the more batteries we collect the more prizes we win!

Corbets Tey@The Avelon Newsletter

On Thursday this week we held our Christmas Fayre and welcomed parents, carers and friends for the morning to enjoy tea/coffee and mince pies. Each class held a table sale of their Christmas crafts that they have been preparing over the past weeks. We held a raffle and Guess the weight of a cake competition. Here are a few photographs from the event.

Class News
Park Lane

Park Lane have been finishing off their enterprise items for the sale and one of our students has made a Christmas cake which is one of the prizes in our raffle. In Numeracy this week the students have been working on 2D shapes and also practising their measuring skills using a ruler.

Vine Street

On Monday Vine Street enjoyed a shopping trip to Lakeside Shopping Centre to purchase gifts for their family. The students had previously made their shopping lists and had worked out which shops they would need to visit from a map of the centre. After a morning's shopping they enjoyed a McDonald's lunch. The class have been making decorations and helped decorate their class for Christmas. This week in their cookery lesson they made rock cakes. Today they have enjoyed role play about going to the cinema. They had a box office where they purchased their ticket, a confectionary stall and the class enjoyed watching the Lion King.

Oxford Street

Oxford Street spent most of the week preparing for our Christmas Fayre with last minute touches to gifts for sale. The class have decorated their room ready for the festive season and enjoyed making their own Christmas decorations. In their cookery session this week they have been focussing on spreading toppings onto toast and making a hot drink. The students are working towards preparing their snack and drink independently.

Bond Street

At the beginning of the week Bond Street were finishing off their enterprise items for our sale and have been making Christmas decorations. The students help decorate their class and part of the centre ready for our Christmas Fayre. We have a new member of staff, Mike Lamb, who will be helping all our students with vocational skills and some of Bond Street have been working with Mike in Horticulture. They have been preparing pots ready to plant seeds. In their cookery session this week they made apple crumble again. This week the students worked independently with very few promptings from staff using their visual instructions.

CHRISTMAS TREE RECYCLING
Saint Francis Hospice will collect and recycle your real Christmas tree.

All donations will help local people

On Saturday 11th and Sunday 12th January 2020, our fantastic team of volunteers will be out and about collecting Christmas trees for recycling! And we're excited to announce that this year we have expanded our collection to the whole of Havering!

Havering postcodes: RM1, RM2, RM3, RM4, RM5, RM7, RM11, RM12, RM13 and RM14

The St Francis Hospice Christmas Tree Recycling collection is completely free of charge. However, we'd welcome a voluntary donation for the collection of your tree. Your donation will make a difference to the lives of people in our local area facing the most difficult circumstances. 90% of the monies raised go directly to St Francis Hospice and the remaining 10% to local charities. You will need to register your tree online by 8th January 2020.
