

## Children In Need

On Friday 15th November we will be supporting Children in Need day. In order to support the charity we would like our students to wear onesies on this day but please do not worry if your young person does not wish to wear them as they can choose to wear whatever they feel more comfortable in. Any donations for this great cause would be gratefully received and sent directly to the charity. We will share the amount raised in our weekly newsletter.

## Raffle

At our Christmas Fayre on Thursday 28th November we are hoping to run a raffle. If you have any unwanted gifts or items you would like to contribute towards this raffle, they would be gratefully appreciated. Many thanks for your support.

## Corbets Tey@The Avelon Newsletter

### Class News

#### Vine Street

This week the class has been busy preparing items to sell at the Christmas Fayre. They have made scented candles, peppermint creams and mini Christmas cakes using small baked bean tins. The students enjoyed learning new skills when making the products.

### Park Lane

Last week Park Lane had a visit from Kim Hills, Havering Participation Co-ordinator and Sila, who is our local elected Member of Youth Parliament for the area. Sila introduced herself and explained that she would be attending the Houses of Parliament for a debate about issues voted for by over 825,00 young people in this year's 'Make Your Mark' campaign. Students explained the issues they thought were important to them in our community. These included more police in the community, improved SEN awareness training for hospital staff and having BSL signers available in shopping centres. Sila promised to share these issues with other Members of the Youth Parliament.

This week Park Lane having been working on fictional text in Literacy and in particular have been looking at characters in stories. They have continued their work on databases and have been producing graphs from their databases. The students are also busy preparing for our Children in Need day on 15th November and researching about the charity. As a class they are being encouraged to play social games and the students have enjoyed playing various games such as Jenga, Uno and Hedbanz. The Park Lane café opened again last week making meals for the Park Lane students and staff. This week we were treated to spicy sausage pasta bake and cupcake. The café is part of their business enterprise to raise money for their trips.

### Oxford Street

Oxford Street have been continuing with their role play on shopping before their trip to Tesco to buy items to make hot chocolate and toasted bagels in their cookery lesson. The students have been using their skills to use the microwave and toaster. They have been learning to sequence and follow visual instructions in order to prepare their snacks. This week the class have enjoyed making firework paintings in their art session. There has been lots of fun as well as learning

this week. They have been playing a game "What's in my bucket". The bucket is full of different objects such as sensory toys, shaving foam, crazy string, lights and glitter. The students take it in turns to pull an object out of the bucket and they decide what they can do with it. As you can see

by the photographs, it can get messy but lots of fun. Some of Oxford and Bond Street students got together on Monday to enjoy a session of sensory play and games.

### Bond Street

Bond Street have been working hard this week. They have been working on items for the Christmas Fayre and have been planting bulbs for the Spring to sell. They have enjoyed their daily outdoor exercise, walk at the country park and shopping at Tesco. The students have been doing some reading this week. Some students chose their favourite book whilst others are learning to read symbols. In cookery this week they made pizza which they also made last week but this week they were encouraged to prepare the pizza independently.

### Work Experience

Several of our students are going out into the community to do work experience with Jackie. We have been fortunate enough to get placements at the Hornchurch Country park, Tesco, Village Wines in South Ockendon and Rainham Hall.
