The Big Battery Hunt

The main school and our college have signed up to take part in the Big Battery Hunt. The Big Battery Hunt is a nationwide battery recycling initiative funded by Duracell. Young people in schools across the UK are encouraged to think about the importance of recycling and then challenged to collect as many used batteries as they can. The aim is for each pupil to contribute to an overall total of 4 million batteries being recycled. Each student will be bringing home a collection box and when full this can be returned to the college. There will be collection box in our reception. There is also a competition running as part of this campaign so the more batteries we collect the more prizes we win!

Corbets Tey@The Avelon Newsletter

On Wednesday the classes had the opportunity to purchase gifts for their family from the PFA Christmas Sale. Thank you to the PFA for providing this opportunity. Today has been Christmas Jumper day and we had an array of Christmas clothing from both the students and staff. We raised £50 and would like to thank you for your support.

Class News Park Lane

On Tuesday Park Lane went to Lakeside Shopping centre to buy their gifts for their family. In the weeks leading up to the trip the students have been looking at various websites for their gifts and have also been using the shopping centre map to find out where the shops they need to visit are located. Today some of the students went over to the main site to sell any remaining goods they had left over from our Christmas Fayre at the CTS Christmas Fayre. Some members of the class also had the opportunity to do some vocational skills this week. They were learning about preparing wood ready for painting and are in the process of making coasters.

Vine Street

In their ICT lesson this week Vine Street have been using their laptops to produce calendars. In their Literacy lesson they have been looking at different verbs and using them in sentences. Some of the students have been busy in the kitchen and this week produced three beautiful decorated cakes as well as learning and labelling kitchen utensils. The students who were not involved in the cookery lesson took part in a horticulture lesson and this week they were planting seeds ready for the spring.

Oxford Street

Oxford Street have been doing lots of different Christmas activities this week. The students enjoy opening their advent calendar each day which involves finding the correct date, motor skills to open the door of the calendar before enjoying the treat inside. This week they have been making Christmas cards using finger painting. In cookery they had fun making peppermint creams.

Bond Street

Bond Street have been taking part in several seasonal activities this week. They have been making Christmas cards and presents for their parents and in cookery they made Christmas biscuits and peppermint creams.

CHRISTMAS TREE RECYCLING

Saint Francis Hospice will collect and recycle your real Christmas tree.

On Saturday 11th and Sunday 12th January 2020, our fantastic team of volunteers will be out and about collecting Christmas trees for recycling! And we're excited to announce that this year we have expanded our collection to the whole of Havering!
Havering postcodes: RM1, RM2, RM3, RM4, RM5, RM7, RM11, RM12, RM13 and RM14
The St Francis Hospice Christmas Tree Recycling collection is completely free of charge. However, we'd welcome a voluntary donation for the collection of your tree. Your donation will make a difference to the lives of people in our local area facing the most difficult circumstances. 90% of the monies raised go directly to St Francis Hospice and the remaining 10% to local charities. You will need to register your tree online by 8th January 2020.

All donations will help local people
