

Headteacher News

Dear Parents and Carers,

We've had another good week at both school sites. It is still important that we carry out lots of learning activities outside despite the weather getting cooler and wetter. Please could you ensure your child or young adult comes in with clothes that are warm and waterproof coats. I am very happy to be flexible around uniform to ensure that all students are warm enough in classes with the windows open.

As our outdoor grass areas get wet more frequently you are welcome to send wellies in if you would like to.

If any of your other children get sent home from other schools to isolate we would be very grateful if you could share this with us so that we can monitor the current situation very carefully.

Thank you for all your support as we work through these difficult times. The best news is that we have lots of happy learners enjoying school and college. Here are three of our hard working students from Willow Class.

Emma Allen

Department for Education Coronavirus Helpline
