Headteacher News

For the first time this half term I had to close a class for two days due to having staff unable to be in school because of COVID contact reasons. We have staffing challenges across the school and our staff team are working really hard to keep everything as it should be for our pupils.

I was very grateful to Maple Class parents for their understanding and support in helping us run as safely as possible in these difficult times.

Thank you, Emma

News from Palm Class

'Palm Class this week have been learning about saving our environment from pollution.'

News from Sycamore Class

This term we have been reading Georges marvelous medicine. In Art we have been creating mini Georges from Playdoh. The class have had lots of fun rolling and moving the playdoh to create different parts of George. Well done for all your hard work Sycamore class.

News from Peach Class

These are some members of Peach Class, were in our P.E. lesson, and we used the swing and our pupils were requesting push and spin.

Super Peach Class!

News from Mango Class

Mango class have been working hard and having fun tasting new foods and preparing snacks.
