## November 2020 Newsletter

### Future Inset Dates—22nd and 23rd February 2021

On Friday 13th November we will be supporting Children in Need day. In order to support the charity we would like our students to wear onesies on this day but please do not worry if your young person does not wish to wear them as they can choose to wear whatever they feel more comfortable in. Any donations for this great cause would be gratefully received and sent directly to the charity.

### Park Lane News

Park Lane’s first week back after half term has been a busy one! They have made the most of the weather to plant bulbs in the Avelon garden and had a lovely walk in the country park. In Enterprise the students are making wonderful decorations and ornaments ready to sell at the virtual Christmas Fayre. One of their topics this half term is “World of Work” and they have been learning how to access Google Meets so that later in the year the students can have job interviews online. Park Lane are taking part in the “Make Your Mark” Youth Parliament voting again this year and they have been discussing a wide range of issues that affect young people today. Park Lane has also made a Remembrance Day display in our garden area which is made from plastic bottles.

## Vine Street News

In Vine Street they have been testing and tasting new healthy ingredients and flavours and how they can be used. The students explored carrots and made carrot juice using a juicer. They discussed their preferences and how we would use the ingredients next time. The students have been keeping a list of all the new food and ingredients that they have tried stating if they like them or not.

## Oxford Street News

This term Oxford Street is focussing on community helpers and places. We are reading stories about different people who help us in the community and the students are role playing a different place every afternoon. On Monday they made choices in the spa, on Tuesday they were practising shopping and using money. Their role play involved a visit to see Doctor Diane and Katherine the dentist and on Friday they enjoyed a movie experience. Oxford Street are practising lining up during role play and following the signs on the floor to tell them where to stand when socially distancing. The students are also learning and matching safety symbols in their environment.

## Bond Street News

So far this week Bond Street have been settling back into school routines. Their new topic this term is "Care in the Community" and we will see Aqua bubble convert their space into a range of community facilities for students to explore and experience. The facilities this week have included a dentist, doctor's surgery, a cinema and a spa. All students have continued to take part in daily exercise outside followed by stretching exercises and relaxation. They have enjoyed making bird fat balls ready to sell at the Virtual Christmas Market. Bond Street also made toast as part of their science experiment and life skills lesson this week.

### Dentist Recommendation

Can anybody recommend a dentist they have used who is understanding and caring towards SEN children and young people? If so please let us know so we can announce this on future newsletters.

## Parents Calendar

### Easy Fundraising

This is a really easy way for the school to get a donation every time you buy something online. It costs you nothing extra. All you have to do is to create a free account on the Easy Fundraising website

[www.easyfundraising.org.uk/causes/corbetsteyschool/](http://www.easyfundraising.org.uk/causes/corbetsteyschool/) and choose Corbets Tey School as the cause you want to support. Every time you want to make a purchase online, log in to your account at Easy Fundraising [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) and choose from more than 4,000 stores using the search bar or the links on the page. When you make a purchase, the store will make a donation to the school. You can even buy your weekly take away deliveries through Just Eat and raise funds at the same time!
