Children in Need

Re: Children in Need Pyjama and Onesie Day- Friday 13th November 2020

Children in Need provide grants to projects in the UK which focus on children and young people who are disadvantaged. The projects they fund help children facing a range of disadvantage, for example poverty and deprivation; children who have been the victims of abuse or neglect or disabled young people. If you would like to find out more please visit- <https://www.bbcchildreninneed.co.uk>

In order to support this charity we ask that your child wears warm and cosy pyjamas, a onesie, or non-school uniform to school on Friday 13th November. If parents/carers would like to make a donation we ask that any coins are put into a sealed envelope for COVID safety this year. We understand that some of our children find non-school uniform days a challenge and we fully understand that they may not wish to participate.

We hope that you will support us with this great cause and look forward to raising lots of money for Children in Need.

News from Ash Class Corbets Tey Spray

Our budding entrepreneurs in Ash have been busy again. This week they have produced a TV advert, created a leaflet, designed a logo and developed a slogan, all whilst working out which services they will be offering and working out how much they need to charge to make a profit.

News from Orange Class

Gardening they used fruit to make a hedgehog.
 Art they have used ice to paint the rain.
 They also had a new PE champion this week!
