## Amazon Smile

The school is also registered on AmazonSmile, which is another simple and automatic way for you to support Corbets Tey School every time you shop at Amazon, at no cost to you. You will need to access this through [www.smile.amazon.co.uk](http://www.smile.amazon.co.uk), and once you have signed in and chosen Corbets Tey School as your charity to support you will have the same access to Amazon (and any prime membership benefits), with the added bonus that with any purchases Amazon will donate a portion of the purchase price to the school

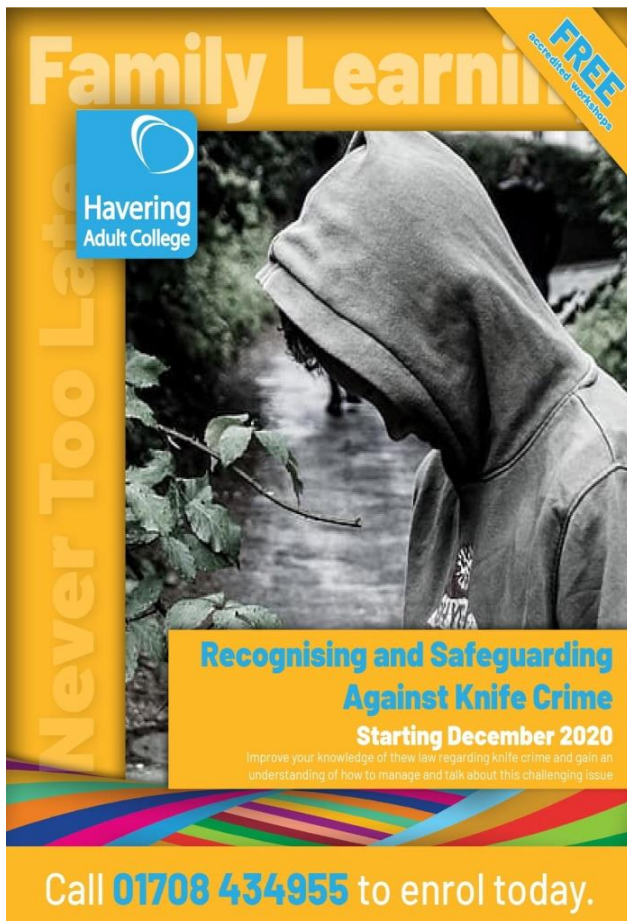

Amazon Smile will remember that you have chosen to support the school and then every eligible purchase you make at [smile.amazon.co.uk](http://smile.amazon.co.uk) will result in a donation of 0.5%. You must make all purchases through Amazon Smile and not just the normal Amazon site though to get the donations. Your account will operate in exactly the same way and you can access all of the same features that you might normally have such as Amazon Prime delivery, etc.

Please sign up and support your school.
