## Provider Access Policy Statement

### 1. Policy Introduction

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer, in accordance with section 42B of the Education Act 1997.

From Reception year upwards, pupils will learn and build on the skills needed for success in adulthood. Our Careers Curriculum is based on the Gatsby Principles and builds the foundation for social, vocational and workplace skills and understanding.

**In addition:**

### 2. Pupil Entitlement

All pupils in years 8-13 are entitled to:

- Find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- Understand how to make applications for the full range of academic and technical courses.

Please speak to Barbara Faulkner Prospects Careers Guidance Advisor to identify the most suitable opportunity for you.

We welcome providers to come into school to speak to pupils and/or their parents/carers.

### **3.3 Premises and Facilities**

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school. Flyers can be distributed to students and information communicated on the weekly school parent/carer newsletter.
