

Behaviour Policy - Easy Read

We want our school to be a happy and calm place for everyone

Everyone should know what is right and wrong

Everyone should follow the school behaviour rules and work hard

Everyone should try to be gentle, kind and helpful

Everyone should try to be honest

Everyone should try to look after property

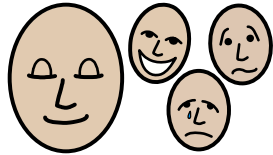

Everyone should listen to others and not interrupt

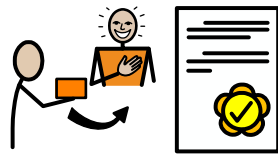

Nobody should hurt anybody else or damage things

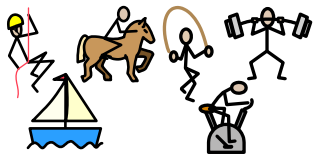

If you cannot behave well then you may be asked to sit in a safe place for a while

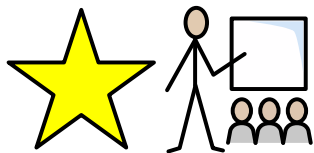

You should try to learn how to keep calm and talk about how you are feeling

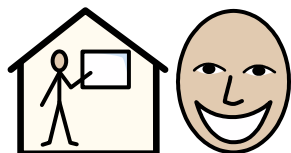

If you behave really well then your teacher may give you a reward

You will also be able to do more exciting things

You may even be 'Star of the Week'

When everyone behaves well the school is a happy place
