SCHOOL HOLIDAY MEAL SCHEME FOR THE EASTER HOLIDAYS

The Council will continue the School Holiday Meal Scheme for Easter. The scheme allows eligible families to receive £30 per young person to cover the two week school break, by ensuring families can purchase food over the holiday period to replace the meals a young person would have received during a school day.

Families who have previously received payment via the scheme **do not** need to reapply and will automatically receive the funds into their nominated bank.

Details about the scheme will be updated on the Council's [website](#),

RED NOSE DAY COMIC RELIEF

Below are some of our photos from Red Nose Day:

WILLOW CLASS BIRD FEEDERS

This week in Willow class we made bird feeders out of recycled goods and left over cereal. We hung these out the front of school for all of the birds to enjoy.
